

# MILTON VILLAGE MARKETS

On the first Saturday of every month, the Milton Village markets are held.

The eclectic range of goods on display include fresh produce, plants, locally made preserves and sauces, craft items, woodwork, jewellery, children's clothing, delicious confectionary and bakery items, preloved books, natural health products and more.

The markets begin at 9.00 am and finish around 1.00pm

Come along and browse the stalls before relaxing over a coffee or light lunch at one of Milton's many alfresco cafes and restaurants.
